HOW TO PLACE A SINGLE BET  
NEW  
PROLINE+

### Voiceover:

*A Single Bet is an individual bet made on a single game, event or market, where your pick needs to be correct to win.*

**Video:** The cursor moves to the left-hand navigation panel and selects Basketball, USA, and then NBA. Some of the odds are highlighted across to show that they are dynamic.

### Voiceover:

*Here's how to make a Single Bet:*

*Select your sport, league, event and finally market (that's the outcome you are betting on).*

*Every event page has a list of available markets and odds for each outcome.*

*Note that the odds are dynamic and may change as you're building your betslip, so make sure to check your picks before confirming your bet.*

**Video:** One pick is made and then appears under the betslip on the right-hand side. A wager amount of \$5.00 is entered. The cursor then clicks the Player Icon and to highlight My PlaySmart Tools.

### Voiceover:

*Make your pick and watch your bet slip take shape.*

*Once you're ready, enter your wager amount to see your potential return.*

*Side note, you can avoid overspending by setting your Sports Spend Limit under your My PlaySmart Tools.*

**Video:** The Clear All button highlights as the cursor hovers over it. The cursor then clicks the Place Bet button and confirms the bet. The bet receipt appears. The cursor selects the Open Bets tab where the new bet can be found.

**Voiceover:**

*If you change your mind and want to make a new betslip, just click Clear All.*

*Once you're happy with your pick, then click Place Bet.*

*You'll have 30 seconds to confirm your bet, otherwise it won't be placed!*

*Once your bet has been placed, you'll see it under Open Bets.*

*Bets cannot be canceled, reversed or undone once confirmed.*

*As long as a bet is open, you may have the option to Cash Out. Any bets that are final will appear under Settled Bets.*

**Video:** The PROLINE+ screen transitions into the + sign and the PROLINE+ logo and copy animate in.
